Subject: Approval of Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, Ames Construction, Inc., Lake Point Quarry, M/049/0076, Utah County, Utah

Dear Mr. Boteilho:

The Division has received the reclamation surety for the Lake Point Quarry and two copies of the NOI. The Division now permits you to begin mining operations as outlined in your large mining notice. The permitted disturbed area is 27 acres. The surety will be reviewed periodically to assure that the bond remains adequate.

The approval or acceptance of a complete notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

There were no variances requested or approved in association with this operation.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the approved Notice of Intention to Commence Large Mining Operations for your files. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the Division's web page at [www.dogm.utah.gov](http://www.dogm.utah.gov).

All future correspondence should reference M/049/0076. Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Dana Dean, P. E.  
Associate Director of Mining
